*Christ
is
Risen!*

2023
Easter Sunday
April 9, 2022
after 10 am Mass

The Bannoura family will be coming to offer us quality religious handicrafts, made from Holy Land olive wood, after the 10 a.m. Easter Mass on April 9, 2022. Your purchases directly financial livelihood of artisans and their Christian families in Bethlehem. All Bethlehem handicraft products are carved from the wood of young, pruned olive trees and tree trimmings. As St. Joseph taught faithfulness to the artisan trade, so too has the Bannoura family for many years and generations. They take great pride in this distinctive and unique art form. Your purchases for the very livelihood of the peoples of Bethlehem in this event is greatly appreciated. Please join me in welcoming them to our parish and help them in their struggles in the Holy Land, where Christians continue to be discriminated and persecuted. These are great products for upcoming Christmas gifts. *Thank you in advance. Fr. Bob*
