Twenty-Sixth Sunday in Ordinary Time

Greetings and blessings in the name of Our Risen Lord Jesus Christ!

Thank you for your decision to steward your God-given time and talents in the St. Michael Parish by being willing to serve and lead others on our journey in the image and footsteps of Our Lord.

You may not think of yourself as a teacher, catechist or leader, but if you have more than one person looking to you for knowledge, encouragement, understanding, accountability, and about a hundred other things regarding the Christian Catholic faith, you are a leader—not just a do-er.

God calls us each of us to varying degrees of service in His Church, the home, work place, and the community. Right now, God has chosen and is calling you to greater faith-based works.

The concept of God's calling and our response is extremely important for us as Christians today—with so many other distractions for our time, talents, treasures—in the world around us.

By devoting your time and talents to this parish church, you will be filled with much joy and grace. At times, you may ask God for help and He will grant it. You will be more awed by His love and care for you in your efforts and you will better understand His love for His church also.

There may be days when you feel unqualified or overwhelmed. Don't listen to the voice of self-accusation. God uses the weak and foolish things of this world to confound the strong and wise.

Welcome to the myriad of parish ministries and other activities that make this parish church an exciting, vibrant and joy-filled faith community. Wishing you God's abundant blessings!

Yours in Christ,

Rev. Bob Newbury Jr.
Pastor
