

How would you like to add to your weekly contributions to St. Michael Parish Church??!!

## **Participate in your Parish's SCRIP Card Program**

**What is it?** This is a program whereby you purchase gift cards for retailers that you shop at most often or you can give as gifts throughout the year.

**How does it work?** You inform us (by telephone or completion of an order form) what gift cards you would like to purchase and the St. Michael Parish Church receives a small percentage of the total amount of ordered card(s) at least once a calendar quarter. The percentages vary depending on the specific retailer.

*Order and receive your cards in the same week!*
